

Delavan-Darien School District  
Parent Guardian Permission Form  
Field Trips/Activities off School Property

To the parent or guardian of: \_\_\_\_\_

The school program occasionally includes student field trips/activities to places away from the school ground. These activities are correlated with individual course and grade level curriculums. The school personnel tries to supervise such activities so that the student's safety will be guarded. However, realizing that the school cannot assume full responsibility for the student's safety, School Board Policy requires written parental permission before students may participate in the activities.
